

THE GOOD SHEPHERD APPEAL

The idea is to make a Cross which each class or the whole school could make and display in each individual classroom or the school hall. The idea is to cover each Cross with colourful paper flowers.

WHAT TO DO

- Make a large Cross on a wall by taping sheets of brown paper together.
- Cut out a number of colourful flowers.
- Children/students can then write their offerings on one of the flowers and stick it to the Cross.
- If a child/student wants to keep their offering private they can just add a blank flower to the Cross.

At the end of Lent you should have a very colourful Cross.
