about

99 Edge Lane is a place where likeminded organisations and individuals can come together to work and collaborate.

99 Edge Lane is the registered home of Nugent, a charity which provides education, health and social care services across the Merseyside City Region and Cheshire. It's also the home of Nugent Multi Academy Trust, Nugent Social Enterprises and Nugent Caritas.

In 2020, the COVID-19 pandemic showed many businesses the wonders of hybrid working, and Nugent was no exception. As a result of this, we found ourselves with room to spare, and we want to share it with you!

In a world where 'how we work' is more important than 'where we work' 99 Edge Lane is defined not by it's location but by it's culture. We want to share our space with likeminded individuals who believe in the same values as us.

Our Values

- integrity
- ambition
- courage
- compassion
- optimism
- respect
- dignity
