LIME HOUSE

**COMPASSIONATE SUPPORT FOR OLDER PEOPLE,
INCLUDING THOSE LIVING WITH DEMENTIA.**

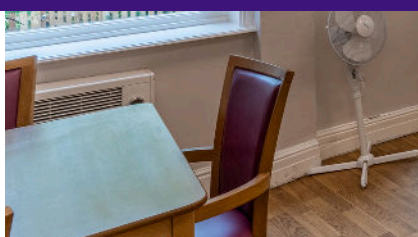

Welcome to Lime House

Lime House is a warm, welcoming and safe environment that provides exceptional residential care for older people, including those with dementia.

The Lime House team is well-trained, sensitive, and professional, offering the highest standard of care to all of the people we support, many of whom are vulnerable, and dependent on others. The team has a strong understanding of supporting people living with dementia and recognises the importance of easing the pressures faced by carers and family members.

Supporting people to live meaningful lives, with choice, independence and dignity at the heart of everyday living.

At Lime House, our approach is rooted in providing a high standard of care within a warm, comfortable and homely environment. We support each person as a whole, recognising their physical, emotional and spiritual needs. Respect for privacy and personal dignity underpins everything we do, helping to create a calm, welcoming and respectful place to live.

A sensory garden at the rear of the home offers a peaceful, safe space for residents to relax, enjoy the sunshine, and take time for themselves, with plenty of comfortable seating.

Each person receives an individualised care programme, and we encourage participation in a wide range of activities, both within the home and in the local community.

Lime House is firmly rooted in the Lowton, Wigan community. Friends, families and volunteers are always welcome, playing an important role in the supportive, therapeutic environment we provide. Many of the people we support choose to spend time in our family-friendly spaces, enjoying the comfort and warmth of a true home away from home.

and comfort.**

Available Services

Residential care from a trained and professional team

We bring together experience and care to help each person we support feel safe, valued, and understood. Our approach is centred on the individual, reflecting their needs, preferences, and life story.

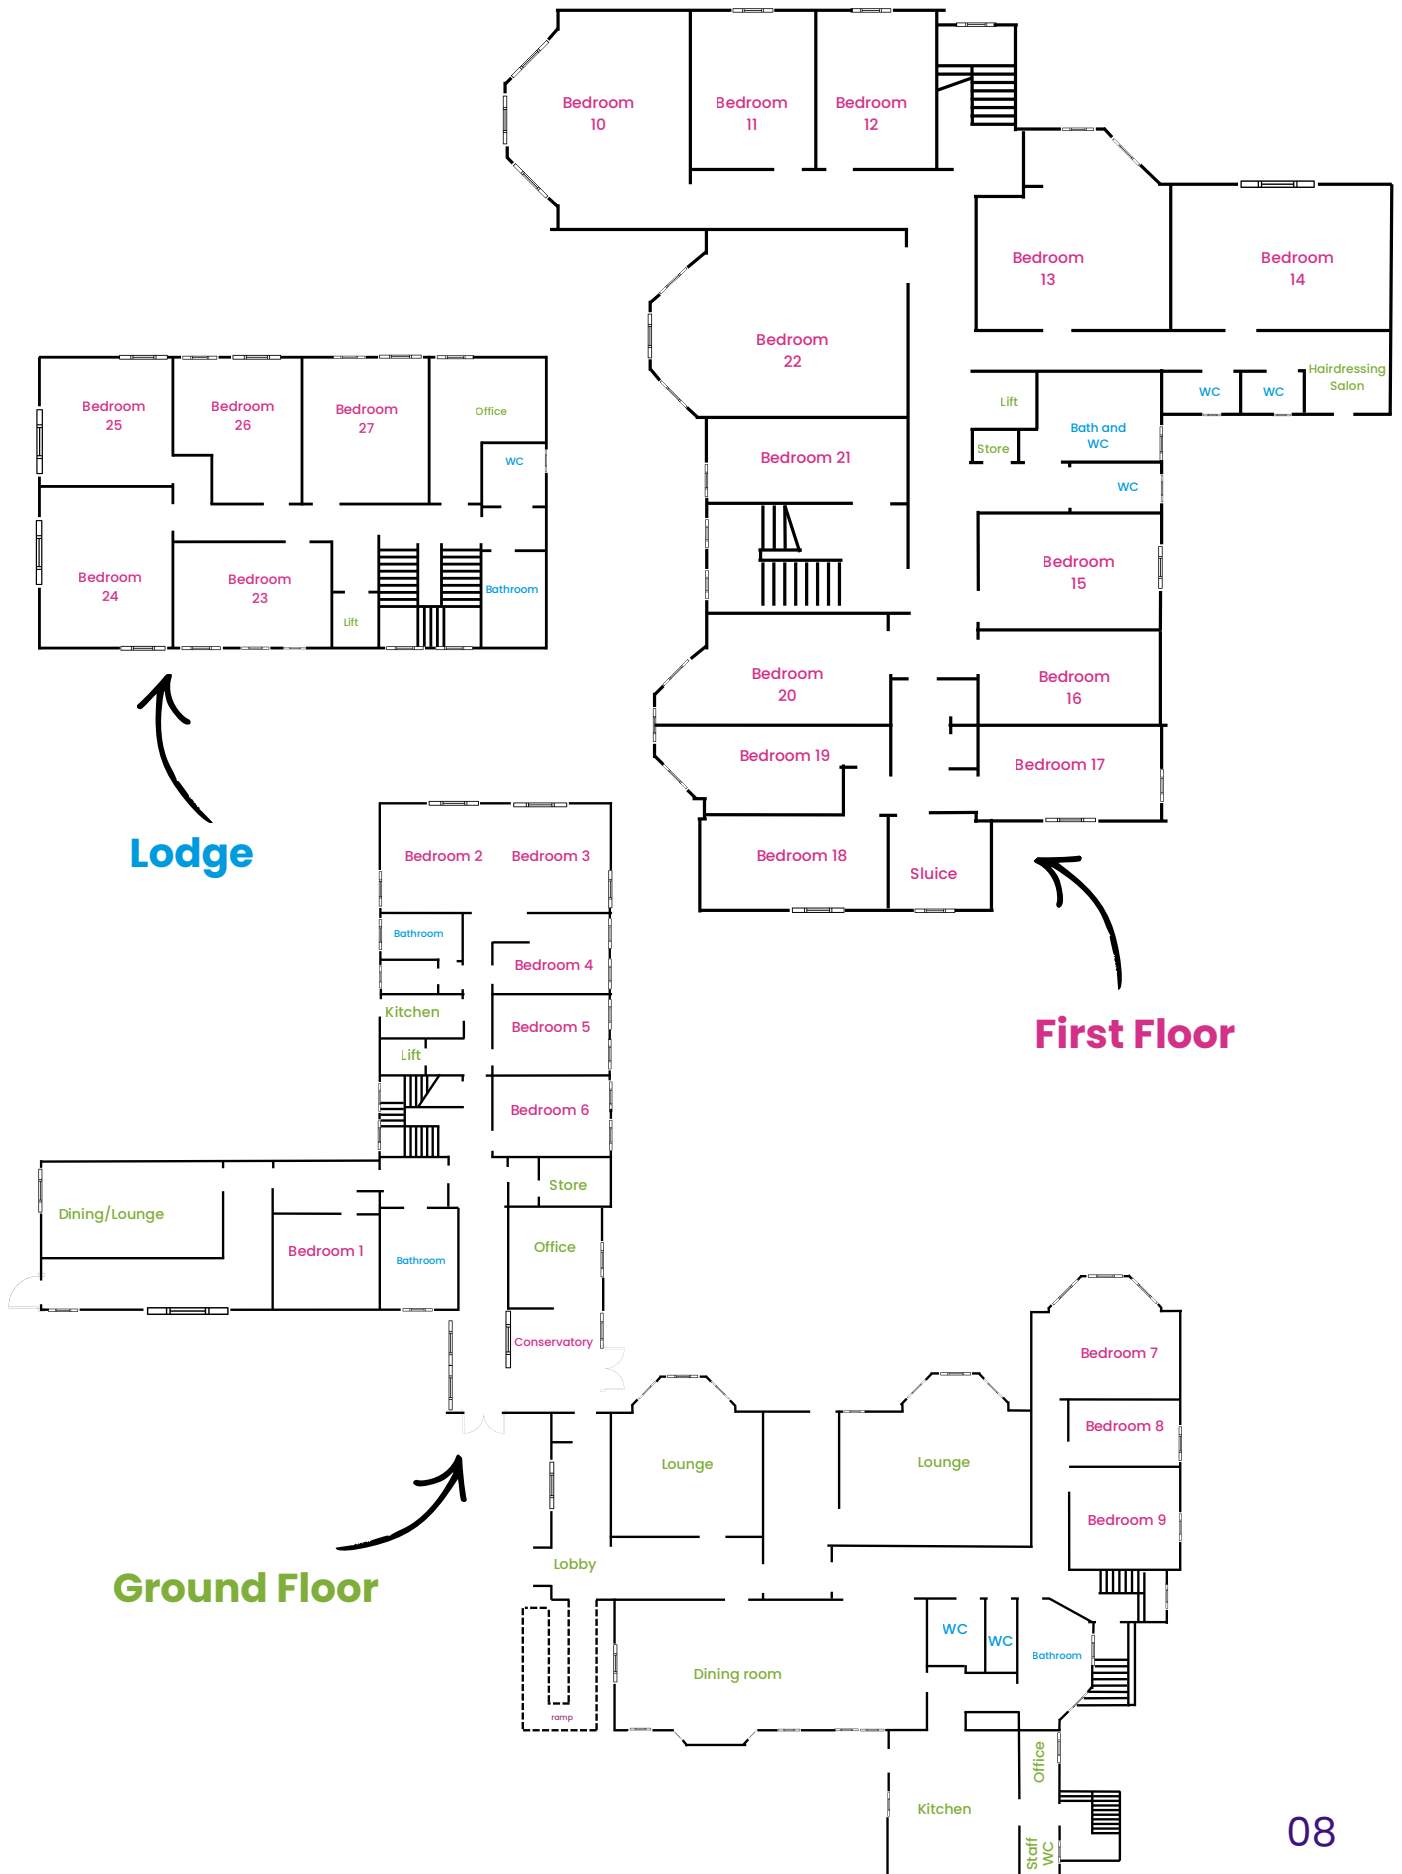

Home from home environment

Lime House is designed to feel like a true home, where everyone we support can feel safe, comfortable, and at ease. Our living spaces are created with familiarity and warmth in mind, helping residents feel secure and supported in their daily lives. From cosy communal areas to thoughtfully arranged personal spaces, every detail encourages comfort, independence, and moments of enjoyment, with care and support provided by our compassionate team every day.

Floor Plans

together we are
nugent

At Nugent, our vision is rooted in compassion, respect, and innovation. Since 1881, we have been a beacon of hope and strength for individuals, families, and communities in need. Our work continues to evolve, guided by our commitment to meeting the challenges of an ever-changing world.

Our vision is clear: **together, provide a lifelong pathway of support for individuals and communities in need.** This vision underpins everything we do, from supporting children and families to empowering adults and strengthening communities across the North West and beyond.

Nugent's five strategic priorities shape our work today and into the future. We are committed to providing:

- **Accommodation** – Providing safe spaces for those in need
- **Employability** – Empowering individuals with the skills and resources needed to secure employment and build sustainable livelihoods
- **Poverty Alleviation** – Seeking to address all forms of poverty, such as food, hygiene, and financial crisis
- **Quality of Life** – Strengthen the ability of the people we support and our colleagues to sustain a healthy quality of life
- **Making Memories** – Creating opportunities for individuals and families to experience joy, break cycles of adversity and create lasting memories

As one of the North West's longest-serving social care charities, Nugent is dedicated to working in partnership with local authorities, businesses, and community groups to drive positive change. By combining our experience with a forward-looking approach, we continue to adapt our services, ensuring we remain a vital part of the social care landscape.

Together, we are building stronger, fairer, and more compassionate communities, one pathway of support at a time.
