What is ALFIE'S SQUAD?

founder

A safe, supportive space for children, young people, and their families, who have been bereaved by suicide. We run the only peer-support group like this in the UK.

I wanted to meet other kids who could relate to me, and I wanted to support them too. *Alfie*

The kids benefit from being around kids who understand. We also benefit from being around other parents and carers like us. *Frank*
