At Nugent, our vision is clear: **Together, provide a lifelong pathway of support for individuals and communities in need.**

We bring this vision to life through our five strategic priorities, which guide everything we do:

- **Accommodation** – Providing safe spaces for those in need
- **Employability** – Empowering individuals with the skills and resources needed to secure employment and build sustainable livelihoods
- **Poverty alleviation** – Seeking to address all forms of poverty, such as food, hygiene, and financial crisis
- **Quality of life** – Strengthen the ability of people we support and our colleagues to sustain a healthy quality of life
- **Making memories** – Creating opportunities for individuals and families to experience joy, break cycles of adversity and create lasting memories
